Nancy,

Sorry for the confusion - the meeting was/is between Ryan and Wendy.

Yes, let's chat later. I'll send you a separate note to schedule.

Thanks. I don't think I have a meeting today unless I haven't heard about it yet.
I need to catch up with you on a few legal issues so perhaps we can chat later?

Ryan and Nancy,

I spoke with Wendy Blake (in Becky's absence) about Nancy's questions this morning. I believe you and Nancy have a meeting this afternoon, so she might discuss them with you then. Regardless, I will advise FEAT to review Nancy's FOIA answers as well.

Please let me know if you have any questions.

Thanks,

So I recently coordinated with Kevin M and Becky about OGC taking a bigger role coordinating FOIA because of the constant disaster in this agency to respond to FOIAs.

Erik, Becky and Kevin are out today and part of this week, but will you review what OCSPP is doing for consistency with how FEAT coordinates FOIA response. This new organization recognizes that FOIA answers are legal evaluations not informational evaluations and the same principles need to be applied to these FOIA responses.
